Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

To the Secy Legis Agriculture & Medicine, it is a point for consideration whether he may not be appd Secy for Medical, Sanitation & Public Health. It seems to be necessary to do so, since he is dealing with those matters.

As the Secretary for Medical & Agricultural Dept's deals with all questions relating to medicine, sanitation & Public Health, & it may be desirable to appoint the Legl Asst as Secy, & Standing Counsel
